## **Kennedy Reversible Lanes Closed This Weekend**

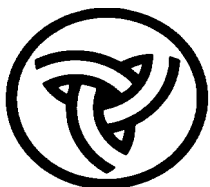

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the Kennedy Expressway's (Interstate 90/94) reversible lanes will be closed, weather permitting, at 10 p.m. tonight until 5 a.m. Monday. The closure is necessary to continue the ongoing construction of piers for the new Ohio Street bridge.

In addition to the reversible lanes, the Jackson Boulevard ramp to the westbound Kennedy Expressway and the westbound expressway's left lane between Jackson Boulevard and Ogden Avenue will be closed.

Motorists can expect delays while these closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, to obey the posted speed limits and to be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at [www.dot.state.il.us](http://www.dot.state.il.us). Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
